Dedication

We, the Senior Class dedicate this annual to the citizens of our county—

... to the taxpayers who have supplied the necessary financial support;

... to the parents of the students for their intense cooperation during the confusion of organization;

... to the board of supervisors and the school board for their long hours of hard work and sacrifice of time in the planning and fulfillment of these plans in every detail;

... to Mr. Watkins and Mr. Trice for all their long, untiring efforts in making this dream a reality;

... to the faculty of Southampton High for their helpful consideration, instruction, and guidance;

... to Mr. Bodkin, our principal, for his wonderful leadership in the complete organization of our school and the reassuring smile on his face through it all;

—We dedicate this, the first annual of Southampton High School, to all those who have cooperated in making this dream of the citizens of Southampton County come true.

PROPERTY OF
THE LIBRARY OF VIRGINIA
RICHMOND, VA

In this, the first annual of Southamptton High School, we are recording the story of organization and consolidation in our new school. The 1956 graduating class is proud to be the first among so many "firsts," and it is especially proud to give you the first publication of "The Nottoway."
